#### TO THE TRADE—Note Carefully

Besides the above quoted stock we have a good many varieties in small amounts—specimen trees and shrubs. We will be pleased to price your want list at any time.

If interested in Cannas, Dahlias, Gladiolus, Bedding Plants, etc., write for our special list, issued about March 1st.

We have more than a hundred varieties each of Gladiolus and Dahlias in the leading cut-flower and commercial varieties, besides the popular new varieties. You should send for this list also.

We are wholesale growers of stock for Nurserymen and Florists; have been growing this kind of stock for years. As we get repeat orders from leading Nurserymen and Florists all over the United States, our stock must meet their requirements. We solicit a trial order from you. As the Atlantic Nurseries are growers and not jobbers, we advise early orders. When our stock is sold we are through until we grow some more. We will be pleased to price your want lists at any time. Yours very truly,

D. W. BABCOCK, Manager.
